

## **Refund/Cancellation Policy**

If you need to cancel your class, please let us know 24 hours in advance. If you allow us 24 hours' notice we will be happy to reschedule you to another class. You can only reschedule one time and it must be within 3 months of the original date.

Like any entertainment venue (concert, movie, play, etc.) we do not issue refunds when you can not make a class. If for any reason we (art instructor) must cancel a class completely without rescheduling, we will automatically issue you a refund. You will be notified immediately.

If for any reason we must reschedule a class and you cannot make it to the new date, we will issue you a credit towards another class. In this case you will have up to six months to redeem your credit.
